RECOGNITION & ACCREDITATION

The European International University (EIU) – Paris, is a private higher education establishment authorized by the French Ministry of National Education, Higher Education, Research, and Innovation, in accordance to and in compliance with the French Education Act: Code de l'Education Articles L 444-1 to 444-11 and R 444-1 to 444-28, as well as INTERNATIONALLY ACCREDITED by the Accreditation Service for International Schools, Colleges, and Universities (ASIC), a U.K. Government recognised international accreditation body.

PROGRAMME OVERVIEW

Individuals who are interested in the field of finance may find it beneficial to earn the **MBA degree in Finance**. With a Master's in Business Administration degree specializing in finance, you might gain a more competitive edge in the job market. Advanced finance programmes seek to teach students more about managing revenues and money. While enrolled in a finance master's degree programme, students will learn more about how to properly and professionally manage funds, as well as the interface of risk, time, and money. Focus areas might include accounting, economics, financial planning, issues in organizations and management, and management information systems.

PROGRAMME BENEFITS

- To enable the advanced study of organizations, their management and the changing external context in which they operate.
- Equip individuals for and/or development of a career in business and management by developing skills at a professional or equivalent level to assume senior managerial and leadership positions in business.
- Development of the ability to apply knowledge and understanding of business and management to complex issues, both systematically and creatively, to improve business and management leadership and practice.
- Enhancement of lifelong learning and personal development so as to be able to work with self-direction and originality and to contribute to business and society at large.
