PROGRAMME OVERVIEW

The **MBA in HRM** examines the management of human resources in a multinational context. The programme emphasizes the strategic role of human resource management and focuses on changing traditional human resources practices to meet the needs of a global organization. The programme explores how 'best in class' human resources practices can improve an organization's bottom line. The programme focuses on the management of people to ensure maximum competitive advantage within and across organizations. Strategies for HR ensure you will know how to strategically plan staffing requirements. Performance and Reward Management will ensure you know how to get the best from your people as a manager.

PROGRAMME BENEFITS

- To enable the advanced study of organizations, their management and the changing external context in which they operate.
